

This template is meant for:  
**Envelope Booklet**

**10x13**

Pres on the EYE or the Toggle Mark icon to HIDE or UNHIDE the layers

Once your artwork has been designed you should hide the layers that contain the lines and marks. On your layer panel (F7), named "Template - do not change" - (Color Red) and press on the eye or the toggle icon. The layer on which you will be working is called "Customer's Design" (color blue)

**BACK**

### Green Line:

The green line shows the folding lines.  
Notice that not all the panels have the same size, and that is because the panel that folds in needs some open space.

### Blue Line:

The blue line represents the limit for safe content. Everything outside the line will be too close to the edge of your piece and could get trimmed accidentally.

Finished size : 10"x13"

BLACK LINE IS THE BLEED LINE
